What is a UniServ?:

- A direct link between local members and programs available at the regional, state and national levels.
- A regional office with staff members who deliver expertise and programs through the statewide Association to members at the local level.
- Our own governance leaders with members directly electing their local officers.
- Council leaders who make policy and budget decisions in conjunction with the directives set by member-delegates at the annual WEA Representative Assembly.

Association membership (local, council, state and national) represents a chance to collectively advance the professional interests of our members in order to make public education the best it can be for students, staff and communities.

Washington Education Association Councils

Governance

Executive Board positions are elected for two-year terms. Members wishing to hold a position on the Executive Board must be a delegate or alternate from their local to the WEA-Eastern Representative Council, which meets up to eight times annually. The WEA-Eastern Council President is a release-time position.

Staff

WEA-Eastern employs three full-time representatives and two associate staff who provide services to our members.
